Authorization to Treat Cont.

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures including various modes of physical therapy (**or on the patient named below, for whom I am legally responsible:** _____) by the chiropractic physician and/or anyone working in this office authorized by the chiropractic physician.

I further understand that such chiropractic services may be performed by the Premier Chiropractic and/or other licensed Physicians of Chiropractic who may treat me now or in the future at this office. I have had an opportunity to discuss with Dr. John McDonald and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine and all healthcare, the practice of chiropractic carries some risks to treatment; including, but not limited to: fractures, disc injuries, strokes (CVA), dislocations, and sprains. I do not expect the physician to be able to anticipate and explain all risks and complications. Further, I wish to rely on the physician to exercise judgment during the course of the procedure which the physician feels are in my best interests at the time, based upon the facts then known.

Premier Chiropractic's intent in offering its services is to bring about the correction of the vertebral subluxation to improve wellness and maintenance of health. This approach to care is commonly considered non-covered by Medicare and Third-Party Payers.
